				We respond effectively when the interests of tenants, people who are or have experienced homelessness, Gypsy/Travellers and factored owners are at risk.	We manage any landlord failures to ensure tenants and service users do not suffer serious detriment, for example, losing their status as social housing tenants.	We strive to be open, transparent and accountable on our approach and performance.	We seek to influence others to focus on our priorities.	We work with our stakeholders to give them confidence in how we regulate.
