

Have your say on the future of housing regulation in Scotland

The Scottish Housing Regulator is reviewing how it regulates local authority and housing association landlords.

Tenants' interests are at the heart of how we regulate landlords. So we want to hear about what matters to you – what is important, what should we focus on, have we missed anything? What else? Your views will help shape our future work.

Aimed at tenants, tenant representatives and staff, this is **your** chance to find out more, have your say and influence the Regulator's framework for the future.

Come along, find out more and give your views.

To book your place contact either TPAS or TIS. A light lunch will be provided.
